Dear Rick, as previously discussed please see draft invitation letter on behalf of the WSSA Board for EPA's participation in WSSA's 2018 Annual meeting in Crystal City at the end of January. Please let me know if you have any questions or clarifications prior to finalization. Thank you and your staff for the work with the WSSA EPA liaison and subject matter expert program. We are excited that Dr. Greg Kruger from the University of Nebraska is the incoming WSSA EPA liaison. I look forward to talking soon. Thank you-Janis
